

MIFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “MiFID II”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturers’ target market assessment. However, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO BELGIAN CONSUMERS - Notes issued under the Programme are not intended to be offered, sold to or otherwise made available to and will not be offered, sold or otherwise made available by any Dealer to any Belgian “consumer”(consument/consommateur) within the meaning of the Belgian Code of Economic Law (*Wetboek economisch recht/Code de droit économique*) dated 28 February 2013, as amended from time to time.
